ROLLOVER your IRA to Howard!
Benefits of Making an IRA Charitable Rollover Gift to Support Howard

Avoid taxes on transfers up to $100,000 from your IRA to support Howard.

Satisfy some or all of your required minimum distribution for the year.

Reduce your taxable income, even if you do not itemize deductions.

Make a gift that is not subject to the deduction limits on charitable gifts.

Use your rollover to make payments on an existing pledge.

There is a way to take your required minimum distribution, skip the tax, and make a meaningful gift to support Howard this year - the IRA Charitable Rollover.

It's Easy To Do!
Instruct your retirement account custodian to send an amount (up to $100,000) directly to Howard. This is considered a QCD or qualified charitable distribution. No tax is paid on the transfer, and all or a part of your required minimum distribution will be met, and your donation goes straight to work towards the school, fund, program, etc. that you choose.

Create Your Legacy With An IRA Charitable Rollover Gift
If you are 70½ or older, you can use your individual retirement account (IRA) to support Howard. Making an IRA charitable rollover gift to the University will lower the income and taxes from your IRA’s required minimum distribution this year.
