

WHO CAN NOMINATE?

ARTICLE IV Membership

Section 1. Categories of Members.

1. The Association shall have two categories of members: Regular Members and Associate Members.
2. All Regular Members and Associate Members of the Association may, but need not, be members of a Constituent Unit.

Section 2. Qualifications for Membership: Individuals shall be eligible for Regular Membership or Associate Membership in the Association as follows:

1. Regular Membership
 1. All graduates, and honorary degree recipients, of Howard University shall qualify for Regular Membership status.
 2. Upon verification by the Director of Alumni Relations of Howard University, former students who completed at least one (1) year of studies at Howard University and withdrew in good standing.
 3. Former students' eligibility is contingent upon application and verification of such status by the Director of Alumni Relations of Howard University.
 4. A former student's verification shall be in the form and manner as provided by the Department of Alumni Relations.
 5. Upon approval by the Director of Alumni Relations, former students, regardless of Association membership status, shall be considered alumni of the University.
 6. The determination of the Director of Alumni Relations to approve or reject any membership is appealable to the Executive Committee of the Association. The matter shall then be transmitted to the Alumni Board, whose decision shall be final.
2. Associate Membership
 1. Faculty and staff of Howard University who do not qualify for Regular Membership under this Article IV.
 2. Spouses of individuals who qualify for Regular Membership, upon application to and approval by the Director of Alumni Relations.
 3. The application for Associate Membership shall be in the form and manner as provided by the Department of Alumni Relations.
 4. The determination of the Director of Alumni Relations to accept or reject any application for Associate Membership is appealable to the Executive Committee and then to the Alumni Board, whose decision shall be final.
3. All Regular and Associate Members are eligible to become Sustaining Members.
